Subject: Change Your LEO Passwords Now!

Attention James Hanchett:
Your LEO password(s) will expire in 30 days.

To maintain the security of the LEO network, all LEO members are required to change their passwords every 90 days.

Directions for changing your LEO passwords are available online via the LEO portal in the Member Services Area. Use your current login and password to access this area.

Please contact LEO Technical Support Center, at (888)-334-4536 24 hours/day, 7 days/week, if you experience any problems changing your password.

Thank you for your cooperation in maintaining LEO as a secure information sharing forum.
